

Silver Option \$125

Mail-In Only Economy Service

\$125 per Apostille mail-in, mail-return only. Silver customers must **fill out the Silver Option Form (found on our website)**. Must include "Silver form" with the document to get started.

When you mail us your documents like Texas Birth Certificates, Notarized Power of Attorney, Marriage License, Divorce decree, Single Status Affidavits, we will process the State Apostille for you and send it back completed.

No Guarantee on Rejections

With so many documents to deal with coming in thru mail, we wouldn't be able to guarantee that you started off with the correct document in the first place.

We would love to guarantee every client but with economy service it simply is not possible.

If you want the cheapest way and cheap is the most important to you right now, this is the way to get your Apostille IF IT IS ACCEPTED by the government authority. If it is rejected we will send your original document back as is. If we can provide you with a reason that the authority rejected your document then we will but that is not always available from the rejecting authority.

\$25.00 cancel/restock fee.
